Ready

The screenshot displays a software application window titled "LAST: [details wip-1]". The interface includes a menu bar (File, View, Edit, Tools, Window, Help) and a toolbar with various icons. On the left side, there is a list of documents under the "Active" tab, showing items L1 through L20. The main workspace on the right is divided into two sections. The top section contains a header with "USPAT. USPCSUB. (EPOL) DERIVAT. BM. 108" and a "Details" tab. Below this, the text "L18 and L20" is visible. The bottom section of the workspace is a large white area containing handwritten text: "2-7-02" and "09/588407". At the bottom of the application window, there is a table with the following columns: "Document ID", "Issue Date", "Pages", "Title", "Current OR", "Current XRef", "Retrieval C", "Inventor", and "Status". The table is currently empty. The status bar at the very bottom shows "Page 1 of 1" and "HTML" format.

Document ID	Issue Date	Pages	Title	Current OR	Current XRef	Retrieval C	Inventor	Status
-------------	------------	-------	-------	------------	--------------	-------------	----------	--------
